

# Hypertherm®

## Consumable kits

Realize the full versatility of your Powermax®  
with Hypertherm consumable kits

All-in-one consumable kits — for handheld cutting

Up to  
**\$35**  
Savings  
versus purchasing  
contents separately

### Shielded consumables

- Hypertherm's drag-cutting technology makes it easy to follow a line or template

### Unshielded consumables

- With an unshielded nozzle for hard-to-reach areas and bevel cutting

### Gouging consumables

- For your toughest metal-removal jobs

### FineCut consumables

- For high-quality cuts on thin metal – a clean edge and a narrow kerf

FineCut consumable kits – for handheld and mechanized cutting

### FineCut consumables

- For high-quality cuts on thin metal – a clean edge and a narrow kerf

## All-in-one consumable kits – for handheld cutting
